NOTES FROM WINEMAKER, MELISSA BURR

Juicy huckleberry leaps from the glass, followed by vibrant blue fruit aromas of elderberry and blueberry pie. A full mouthfeel with dense, textured tannins and ripe fruit character culminates in subtle notes of cocoa and baking spice at the finish. A stunning wine for any dinner party, barbecue, or special occasion.

VINTAGE OVERVIEW

The 2020 vintage was a relatively warm growing season, the perfect conditions for high cluster counts with small berries. As a result, the skin-to-juice ratio was higher than average, allowing us to craft high-quality wines with rich, concentrated flavors. The quantity of wine we made was limited due to the small fruit set, which means every bottle will be savored for years to come.
