

CHEMISTRY

2024 OREGON PINOT GRIS

SRP: \$25

VINEYARD COMPOSITION

Shaped by the elemental forces of Oregon, this wine is sourced from our most renowned viticultural areas, reflecting the terroir and spirit that makes this place so special.

VARIETAL COMPOSITION

100% Pinot Gris

ÉLEVAGE

Honoring the traditional craft of winemaking, this wine was fermented and aged in 100% stainless steel tanks. It was bottled just six months after the vintage to capture the bright aromas and exotic textures of Pinot Gris at its finest.

NOTES FROM THE WINEMAKER

Cascading waterfalls, Valencia oranges, summer peaches fresh off the tree—these are the essence of our Chemistry Pinot Gris. Balance and vivacity define the palate presence, with a ribbon of electric vibrancy at the finish.

HARVEST

September 2024

ALCOHOL

12.5%

BOTTLING

April 2025

pH

3.12
