## 2017 RUTH'S PINOT NOIR

SRP: \$100 | 100 CASES PRODUCED

### PERSONALITY

Earthy, Powerful, Dramatic

### WINE OVERVIEW

Named after Bill Stoller's mother, Ruth's Pinot Noir is sourced from Section 11.1, our oldest planting of Pommard in the vineyard. Expressing elegance and refinement, delicate aromatics of currant, violet, and anise seed with hints of earth fill the glass. The palate is juicy and vibrant, showing textural nuance on the palate with a satin finish. This is a wine built for longevity, and will further evolve with cellaring.

### HARVEST OVERVIEW

The 2017 vintage is classically Oregon. Despite a cold winter and cooler than normal spring, ideal weather after flowering created a healthy fruit set, with as much as 20% more berries per cluster than average. Summer was dry and hot, but vines saw little drought stress. By September, everything was on track for a traditional, "normal" harvest in the Willamette Valley, with outstanding quality. The harvest produced a bumper crop with intense flavor with perfect sugar and acid levels.
