NOTES FROM THE WINEMAKER
Our White Pinot Noir is one of the most distinctive wines in our portfolio, crafted with precision to balance freshness and structure. The nose opens with white florals and subtle stone fruit, evolving into layers of cherry and red apple. On the palate, juicy white peach and ripe Bosc pear are framed by lively acidity and a clean, mineral finish.

VINTAGE OVERVIEW
We are forever grateful the 2024 vintage provided near-perfect fruit quality. Warm temperatures and a heat spike in May initiated early flavor development. June brought cooler weather, causing bloom two weeks later than usual. By summertime, the diurnal swings of more than 35 degrees created concentrated flavor with balanced acidity in the fruit. Mid-August presented an unusual rain event, giving the vines a healthy drink of water. As we started harvest, Mother Nature presented incredible, sunny days with crisp nights, ensuring our fruit was cold and berries were intact through destemming and fermentation. We knew this year would be special while walking the vineyard, and the wines reflect this exceptional vintage.
