NOTES FROM THE WINEMAKER
The 2023 William Harvey Stoller is a classic expression of the elegance and depth that one can find in Pinot Noir from Stoller Family Estate vineyard. There is an abundance of ripe hood strawberry, plum and tart Bing cherry with a foundation of red volcanic earth. Notes of elegant French oak gracefully complement beautiful fruit and spice. The old vine Pommard provides a robust foundation of rich tannins to support the ripe fruit and carry the wine on your palate though a long and savory finish. The Wädenswil wraps an elegant bow of silk around the whole package keeping you coming back for more.

VINTAGE OVERVIEW
The 2023 vintage will be remembered as a year of abundance, with harmonious grapevine development for all growing regions in the Northwest. As winter transitioned into spring, temperatures remained relatively cool, delaying bud break into late May. The weather pattern then shifted to moderately warm and dry, creating excellent conditions for an accelerated bloom that led to perfect pollination and abundant fruit set. Our vineyards ripened in the final two to three weeks of September, creating a condensed window for optimum harvest, a challenge our vineyard and winemaking teams were fully equipped to handle. Thanks to the remarkable summer and fall weather, yields were greater than average and exceeded our own estimates. The wines crafted from the 2023 vintage display excellent quality demonstrated by generous flavors and complex textures.
