FAMILY ESTATE

2024 SINGLE ACRE SYRAH

SRP: $55 | 200 CASES PRODUCED

BLUEBERRY
TARRAGON
BLACK PLUM

APPELLATION
Dundee Hills, Willamette Valley, Oregon

VINEYARD COMPOSITION
Planted on Jory soils at the lower elevation of our estate, this Syrah is led by Clone 10 originating from Pont-de-la-Maye, France, and Clone 470, with an addition of Viognier.

VARIETAL COMPOSITION
92% Syrah, 8% Vigonier

ÉLEVAGE
Co-fermented with a small percentage of Viognier in stainless steel tanks, then aged for 18 months in French oak barrels (25% new).

HARVEST
October 2024

ALCOHOL
14.1%

BOTTLING
April 2026

pH
3.8

NOTES FROM THE WINEMAKER
The 2024 Single Acre Syrah opens with a complex, savory bouquet of black plum, blackberry, and wild blueberry layered with earthy notes of mushroom, tarragon, and dried herbs. The palate is plush and expresive, with vibrant dark fruit supported by a core of finely structured tannins that carry through a long, persistent finish. Carefully selected French oak lends subtle spice and depth. Rich yet balanced, this Syrah is a natural pairing for fire-roasted meats, grilled vegetables, and hearty root vegetable dishes.

VINTAGE OVERVIEW
We are forever grateful the 2024 vintage provided near-perfect fruit quality. Warm temperatures and a heat spike in May initiated early flavor development. June brought cooler weather, causing bloom two weeks later than usual. By summertime, the day-to-night temperature swings of more than 35 degrees created concentrated flavor with balanced acidity in the fruit. Mid-August presented an unusual rain event, giving the vines a healthy drink of water. As we started harvest, Mother Nature presented incredible, sunny days with crisp nights, ensuring our fruit was cold and berries were intact through destemming and fermentation. We knew this year would be special while walking the vineyard, and the wines reflect this exceptional vintage.
